

## Capability Statement

pranapolygraphservices.com

**Prana Polygraph Services, LLC (PPS)** provides certified contractor support to federal, state, and local agencies regarding a host of critical risk management services. Our offerings include employment screening ranging from initial interviews to full background investigations. Also included in our portfolio is CPR/First Aid training and Active Shooter response training.

Our consultants specifically specialize in credibility assessment polygraph examinations in support of Law Enforcement and Intelligence community risk management programs. Our polygraph testing methodology can be tailored (within APA, AAPP & NCCA guidelines) to meet your organizational needs. Available testing formats include (LEPET, TES, DLCT & ESS).

## Core Competencies

- **Federal, State & Local Employment Screening Services**
- **Security & Risk Management Consulting**
- **Polygraph Examinations**
- **Credibility Assessments**
- **Background Document Review**
- **Data Entry**

## Differentiators

- Our consultants have a host of experience in critical security related matters in support of Intelligence, Military and Law Enforcement operations
- We provide initial screening of candidates, advanced training of security personnel, polygraph examinations (CSPs, ESSs and LEPET with above industry standard resolution rates), background investigations and physical security consulting
- Capable of providing training in CPR & First Aid
- Our personnel are not only tacticians, but rather strategists who can aid in charting the best path forward in addressing future security needs
